## Wise Counsel

Newton's Third Law of Motion states "For Every Action there is an equal and opposite reaction. The Statement means that in every interaction, there is a pair of forces acting on the two interacting object. So for every choice that you make with re-

gards to a vocation re-

member that quick rewards may not allow for long term happiness as those that take a moment longer.

Laura Pugh, Counselor  
Project Transition

# To Ensure Success

## ATTENDANCE

Each student is required to be present for at least 70 hours per term.

Students will be expected to arrive on time for class by 6pm and leave at 9pm, Monday through Thursday.

Students are allowed a 15 minute break per night.

## EXAMINATIONS

Project Transition uses CASAS (Comprehensive Adult Student Assessment Systems) to determine the English level and listening skills.

**Students who miss more than 4 classes or less than 70 hours will not be allowed to post test.**

Only students scheduled to complete CASAS will be allowed into classrooms on testing day.

## CHEATING

Alteration of grade reports, transcripts, cheating, and plagiarism shall result in the student's withdrawal from the program.

## PREPAREDNESS

Students will be asked to bring notebook paper, pens, and pencils for daily tasks and testing.

A portfolio will be kept by instructors with samples of student work to show progress.

## CONDUCT

Interruptions such as cell phone use during class and visits by family and friends are disruptive to classroom learning and will not be tolerated.

Personal conversation not in English or regarding lessons, is considered to be disruptive behavior.

Florida law prohibits smoking within the school building or on school grounds.

*Shoot for the moon—If you miss you will still be among the stars*
